

LIBERATING LEADERSHIP MASTERCLASS

COURSE OVERVIEW

"Organisations with the highest quality leaders were 13 times more likely to outperform their competition in key bottom-line metrics such as financial performance, quality of products and services, employee engagement, and customer satisfaction." Source: Great Leadership

This programme presents a set of competencies and a track to run on that has since been adopted by thousands of managers in a wide range of businesses, across an extensive number of industries, creating the vital mind-set and skills of high performing leaders, known as High Challenge and High.

LEARNING OBJECTIVES

- Expectations Theory: They have high expectations about what their people are capable of – it matters and it shows
- Reinforcement Theory: They catch people doing something right, instead of only paying attention when things go wrong
- Positive Regard: They have respect for their people as individuals and a positive belief in them as a person
- Genuineness: They are able to express their own feelings and tell the truth about their reactions to the other person's behavior. They're direct, open and honest.
- Develop your leadership potential - adapt appropriate leadership styles to the requirements of the situation; realize obstacles to leadership development and learn to combat them; nurture a set of values within your team and decide your 'ultimate leadership goal'
- Equipping leaders with vital tools they didn't know they needed
- Allowing leaders to lead with strength and dignity, confident they are on the right track
- Powerfully pulling all leadership lessons together in one place
