

PROJECT MANAGEMENT FOR PROFIT AND IMPACT

In times when resources are tight, businesses have relied on project management to help ensure their resources are well-utilized.

COURSE OVERVIEW

If you are a project management professional, an entrepreneur, or a manager at any level, you cannot afford to find out that you have missed your targets in terms of both budget and schedule. Project Management for Profit will teach you the Set Point System to get you where you need to be.

PURPOSE - LEARNING OBJECTIVES

- Track progress on a weekly basis against budget and deadlines
- Create Project (Financial) Scoreboard
- Empower your team to fix whatever goes wrong
- Identify the real financial impact of customer change requests as they happen, and precisely incorporate every change into the overall project cost
- Create a detailed database of past projects to calculate costs and hours for the most accurate possible budgets
